# HAPPY TEACHERS SAID...

“ My students love using these in workstations. I laminated to use over and over again. Great resource! I especially liked that I could use this for stations, morning focus, and assessments. - Lynn ”

“ They are colorful and engaging! I really enjoy the cards for blending with dots for each sound with an arrow; they encourage my students to practice blending CVC sounds together. Besides practice, we use them for Memory matching and Go Fish games. Love it! - Kristen ”

“ My students loved using this source when we introduced CVC words. They were able to understand guided reading when we used the bullet mats. This activity also engaged my students more with rhyming; they loved the pictures. - Lacey ”
